United States

Phone: (817) 310-8382

The shooting center operates on a reservation-required basis providing training to groups of one to four shooters at a time. So, whether you are a dedicated hunter preparing for an international adventure, or a novice who wants to experience the thrill of the hunt for the first time, our NRA-certified instructors will tailor an experience to exceed your expectations. In addition to having a lot of fun, you will come away a better shooter. Bring your own rifle and ammo or rent one of ours!
