My name is Tom Hanson. Since 1976 I have worked as a gunsmith, designer, and machinist. In 1976 I graduated from The Colorado School of Trades in Lakewood, Colorado. I have designed parts for Numrich Arms In 2010 I moved to Las Cruces, NM as Tom Hanson, Las Cruces Gunsmith. And provide the Southwest with excellent gunsmith services. Featured products are a patented tactical "no gunsmithing" sight for the Remington 870 shotgun. and the "Mako" custom made muzzle break. I offer Cad-Cam design services together with complex part duplication using CNC equipment. I services old and new guns, provide general and custom CNC machining, products and designs. Whatever your machining or gun needs, just give me a call. Welcome to the Rio Grande.
