

OCC Firearm Training

4454 S US Hgwy 45-52
Illinois 60901
United States

Phone: 815-450-7162

Certified and well qualified to train the 16 hours required by the State of IL for a CCW permit, the OCC Firearm Training Center is a full service facility. All shooting is done on the Indoor Range. The RVS Range is well lit and heated in the winter, cool in the summer. We have 16 firing points for pistol and archery, and 20 points for 10m air rifle/pistol. All shooting is done under NRA Certified Chief Range Officers for the safety of all on the range. Private instruction available for improving skills by Level 3 Olympic Coaches with a background in all types of pistol and rifle marksmanship. We are directors for the Civilian Marksmanship Program with an emphasis on developing junior marksmanship programs in the state of Illinois. As NRA Training Councilors, we have trained people to shoot and trained people to instruct others in the shooting sports for more than 25 years.
